ESCAPE ROOMS

Red Lock Coomera

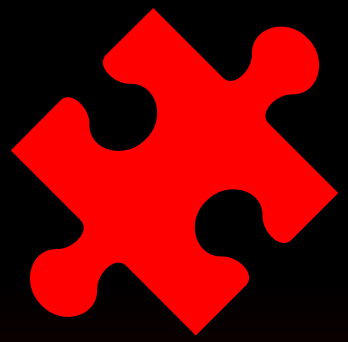
What is an Escape Room?

You have 60 minutes to escape the room with your team. Each room will have an introductory story and different goal to escape.



Your team will encounter different puzzles and will have to solve them using the different clues around the room.

The rooms are designed with realistic interiors and props, so once you enter the room you will be instantly transported into another world.

Each escape room game is concluded with a commemorative group photo!

Frequently Asked Questions

What are your payment terms?

We require a minimum of $100 deposit to secure the date. Final numbers and balance payment are due 24 hours before the booking time.

What if I need to cancel/reschedule?

We ask that you provide us with at least 24 hours notice if you need to cancel or reschedule, to ensure we can help and process a refund if you wish to cancel. If you provide us with less than 24 hours notice or do not attend then your session will be cancelled, and no refund will be provided.

Is there a minimum age?

Red Lock Escape Rooms welcome players of all ages to our Area 52, The Lost Jungle Gemstone and the Wizard Apprentice rooms. Children under 7 can play for free with an accompanying adult*.
Aunt Annie's Asylum is recommended for players 12+.
(*Please note that Aunt Annie's Asylum has mature themes and might not be suitable for children)

What time should I arrive?

With larger bookings, in order to ensure everyone is organized and in the room according to schedule, we recommend being here at least 10 minutes before players are due to play the rooms. This allows time for players to complete any safety waivers and read through rules before entering.

Will other people be in the room with us?

No, aside from the people you have booked for no one else will be inside the room with you.
